Embracing the changing  
world of construction

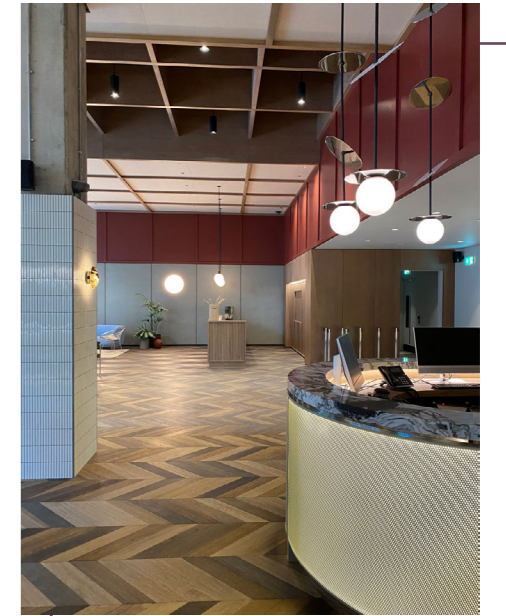

## Who we are...

---

Miller Contracts is a vibrant, forward thinking interior fit-out company specialising in carpentry and bespoke joinery. Our head office is well located in the heart of the City of London. Having worked on some of London's most sought-after prime residences, favourite eateries, trendy offices and prestigious hotels, we are well versed to deal with all aspects of your project.

The team are highly experienced, boasting over 100 years combined industry experience and are proud of our reputation of delivering projects on time, in budget and with an exceptional finish. Our extensive range of services can manage all aspects of your project from initial design, to management and delivery of the final finish.

Miller Contracts has embraced the changing world of construction procurement and committed to developing long-term relationships through formal and informal partnering with our clients and suppliers.

# What we do

---

## Luxury Residential

Providing a high-end fit-out service to some of the most exclusive properties.

## Lifestyle

Encompassing hotels, bars, restaurants and retailers, we bring a wealth of experience to the table.

## Commercial premises

We can transform any interior shell into a high-spec, functional and inspirational space.

## Bespoke projects

With our inhouse joinery workshop, we are able to carry out bespoke work as required.

# About Us

---

## Our Story

We design, manufacture and install bespoke joinery and interior fit-outs and refurbishments with an outstanding skilled workforce, with the Directors having over 100 years of knowledge and experience in this field. Our core drive and passion is delivering the highest quality craftsmanship and customer service that is tailored to reflect the personality, lifestyle and unique characteristics of our client.

## Our Approach

The foundation of our business is built on an experienced and devoted team, who we value highly. Miller Contracts cultivates a vast array of talent which underpins the exceptional quality of our work and many of the team have worked together for over two decades. We believe that one of our greatest strengths is the team members that have developed from a trade background, with in-house expertise through to executive level.

Dedicated to  
exceptional quality

# Examples of our work

Upper  
Belgrave  
Street

The scope on this high-end residential project was to design, manufacture and install Walnut veneered and factory finished wardrobes, gloss white vanity units, mirrored medicine cabinets, timber Chevron flooring and various types of mouldings to all floors. Feature joinery such as Cinema screen housing units, Wine cellar storage, Poker room panelling, Staircase storage, Gymnasium mirrored media units, Moko Volga and Mardegon wall panelling. New timber staircases, glass balustrades and timber handrails to various locations. Heritage style timber panelled doors with Antique Bronze ironmongery and lastly the Refurbishment/upgrading performance of existing doors.

## Cloud Twelve Hotel

Cloud Twelve was a wonderful collaboration with ISG to deliver a 3-storey luxury Wellness Club in the heart of Notting Hill, London. Full engagement through design, manufacture and install the full joinery scope of works. Key features scope includes veneer and leather clad reception desk, plus wall panelling laser etched with floral and cloud designs, curved Corian baby changer units, banquette seating and brasserie counters, plus a feature timber staircase. The 1st floor features lockers with hand-carved timber doors, veneered curved vanity units and wall panelling, a feature carved stone fireplace, Oak display units and circular light features plus treatment stations in the Spa area.
